    <h2 id="overview">Overview:</h2>
    <p>This Car showroom management system is designed for such owners and users
who are interested in cars. This system keeps track of all the cars along with
their each and every single detail. From the date of manufacture to up to what
price can one negotiate while taking that car, one can view all the data here.
If someone is interested in buying the car, then he/she can contact the retailer
as well for the same, via the system.</p>
